

Multi-Disciplinary Research Unit (MRU) – DHR (GoI)
GSVM Medical College, Kanpur

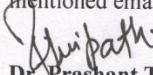

Appeal

A Multi-Disciplinary Research Unit (MRU) has been established at GSVM Medical College, Kanpur by DHR, Ministry of Health & Family Welfare, New Delhi with the following objectives -

1. Encourage and strengthen an environment of research in medical colleges.
2. Bridge the gap in the infrastructure which is inhibiting health research in the Medical Colleges by providing multidisciplinary research facilities with a view to improving the health research and health services.
3. To improve the overall health status of the population by creating evidence-based application of diagnostic procedures/processes/methods.

We invite you to undertake focused, collaborative research activities under the umbrella of GSVM-MRU utilizing its state of the art facilities. As per the mandate of MRU the research should be on NCD and must be multi-disciplinary. Necessary regulatory approvals have to be taken. MRU will support you by providing logistic support and funding for your projects to a certain extent. Students are also invited to carry out their thesis related work using MRU facilities. MRU has currently developed a functional lab namely: Analytical lab, Cell Culture lab, Central Instrumentation lab, Immunology lab and Molecular lab.

Research proposal should be submitted online at emails – mru.gsvm@gmail.com in a prescribed format (Annexure I). Any further related queries will be entertained on the above mentioned email. or Mobile No- 8400331037
