## ***About The Organising Institute***

G.S.V.M. Medical College, Kanpur, known for its academic excellence world over, is named after Late Shri Ganesh Shankar Vidyarthi, a great freedom fighter, who lost his life at the altar of the communal frenzy in Kanpur in March 1931. This was the first medical college of U.P. established in independent India, forming a landmark in the annals of medical education in the state of U.P. It is one of the five medical colleges in India established under the second five year plan. This college came into existence in November 1955 and its foundation stone was laid down by Hon'ble Dr. Rajendra Prasad, the first President of India, on April 24, 1956.

## ***About The Department***

The Department of Pharmacy, GSVM University, Kanpur, is dedicated to excellence in pharmaceutical education and translational research. The department promotes research-oriented learning, innovation, and ethical practice, aiming to bridge laboratory research with clinical and industrial applications. It has been conducting the Diploma in Pharmacy (D. Pharm) programme since 1962, approved by the Pharmacy Council of India, with an intake of up to 75 students. Supported by experienced faculty and skilled staff, the department prepares competent pharmacy professionals aligned with national healthcare priorities.

## ***About The Theme***

### ***“Translational Research: New Horizons in Pharmaceutical Sciences for Viksit Bharat”***

Translational research bridges laboratory discoveries with real-world healthcare solutions. In the vision of *Viksit Bharat*, pharmaceutical sciences play a crucial role in converting innovation into affordable, accessible, and effective therapies. This conference highlights emerging trends, interdisciplinary approaches, and policy-driven innovations while providing a common platform for academicians, researchers, scientists, and industry professionals to discuss advancements and future directions in translational pharmaceutical research.
